

Memo – Football Tickets

To: Members of Utahns for Nebraska

Date: February 2011

Subject: 2011 Football Ticket Requests

Dear chapter member,

The time has come for our chapter to submit its request to the Nebraska Alumni Association for a group of tickets to one game this fall. With such an exciting schedule via the Big Ten Conference, demand is going to be extremely high. In order to ensure the most efficient and fair distribution of tickets, we (as your chapter leaders) request that you complete the form enclosed and send back to the alumni association by March 1, 2011 in order to be considered.

The alumni association will compile all chapter requests and make allocations as best it can within a limited inventory. You must be a member of the alumni association in order to participate in this process and Life Members will receive priority over Annual Members. Once the allocations have been decided by the alumni association, you will be notified whether or not you received tickets and, if so, what your total charge will be. This communication will take place by the end of March.

If your interest is to travel to Lincoln or an away game separate from the chapter, then please discard these documents and look for the advertisement that will appear in the April 2011 edition of the association's "Nebraska Magazine". This quarterly publication is sent to all members of the association. If you are not a member, we encourage you to join today online (www.HuskerAlum.org) or over the phone (888-353-1874).

All who receive tickets may pick them up directly from the alumni association at the Wick Alumni Center during regular business hours the week of the home game, during the "Football Fridays" event on Friday evening or on game day. The Wick Center is open on game day for several hours before kickoff and will have a special gift for chapter members to help your cheering efforts! AWAY game ticket orders will be available at pre-game events for pickup (this may include Football Fridays on the road, or pre-game Husker Huddle), or will be shipped if no such events are planned.

We are excited as you are about the upcoming football season and encourage you to get your form in to the alumni association well before the due date of March 1.

Go Big Red!

Michael Zak
